## Summer Learning Program 2015

Name \_\_\_\_\_

**Please share your thoughts with us!**

**1.** My child enjoyed attending the Summer Learning Program because it had a positive, fun learning environment, enjoyable educational excursions, and low teacher pupil ratios.

*\*How do I know? Some indicators for children may be: talks about the program at home; wants to attend in the morning; looks forward to being with friends; wants to stay longer; enjoyed the Butterfly Conservatory trip; enjoyed the Guelph Civic Museum trip; likes the teachers; and stimulated interest in reading and math.*

**Comment:**

**YES**

**NO**

**2.** I am satisfied with the communication to parents about the Summer Learning Program.

*\*Communication techniques: home school contact; information and registration forms; information phone calls; Board Website online information; program calendar; daily teacher contact; and quick email responses.*

**Comment:**

**YES**

**NO**

**3.** The Summer Learning Program used a variety of learning strategies to enhance my child's literacy/numeracy skills and was a safe place for my child to learn.

*\*How do I know? WCDSB Summer Program Learning opportunities included interactive computer technology lessons; math manipulatives and tools; a wide variety of books; take home summer learning materials; craft and drama activities; and programming included safe arrival and dismissal drop off procedures; healthy nutritional breaks; daily fun physical fitness breaks; a great green t-shirt for easily identification of our SLP students!*

**Comment:**

**YES**

**NO**
